Come Join Us for a Spooky Lantern Tour

October 19, 20, 26, 27, 2018: Times listed below

Come join us for a tour of the historic Miller Place district led by a guide telling tales of old – some true, some legend – and yes some are spooky! We have a limited number of spots available, and book early as many of the time slots for our prior event sold out.

There are some scary stories so use your discretion when bringing children. **All monies raised are used for restoration of our beloved historic homes. Each paid admission gets 1 free raffle ticket + Free Cider & Treats.**

The cost is \$10 per person and the tour will take 75-90 minutes to complete. There is walking involved, so please dress for the weather and proper footwear is highly recommended. Large groups are welcome – reservations are recommended ASAP.

Reserve your time NOW – all reservations are on a first come, first served basis

Send form & payment to: **MPMSHS Lantern Tour, PO Box 651, Miller Place NY 11764**
